PASADENA COMMUNITY CHURCH

Pasadena Circle, Pasadena Avenue

St. Petersburg, Florida

Built in 1959-60, this air-conditioned Sanctuary seats a congregation of 2,006 and a choir of up to 300 in front of the 2,000-pipe Moller Organ. Eighteen acres of parking area provide space for up to 3,500 cars.

Dear Neighbor: We attended Church here recently and this Pasadena Area is just a few miles from where we live at Redington Shores. It is truly beautiful here and the Gulf of Mexico is at our front door and the Boca Ciega Bay almost at our back door. It is so balmy and sunny now days. Wish you all could be here to enjoy it with me. Best wishes to all.
